Your Home Health
Services Specialists

Integrated Services

The patient and caregivers will be educated about the patient's needs through a healthcare professional, who will address all concerns and be responsible to effectively and efficiently coordinate the services. We maintain constant communication with the primary physician in order to achieve the goals established in the patient's plan of care.

We have designed a platform that integrates the services offered by Advanced Infusion Services, Advanced Transportation, Advanced Hospice, and other affiliated companies related to home health services.

We Accept...

Medicare • Medicare Advantage
Puerto Rico Government Plan (Mi Salud)
Commercial Plans • Private Payments
